Benefits of Laughter Yoga

How many times have you
laughed today?

Laughing makes you **feel** good

- Exercise your **internal** body as well as your **external** body through laughter exercises and deep breathing
- Improve **communication** through laughter
- **Energise** and **revitalise** through deep (yogic) breathing
- Laughter helps you brain create **Endorphins** that spread throughout your body and strengthen your **immune** system
- Relieve stress by allowing laughter to **embrace** you every day
- Bring out the child in you through **playfulness**

Merrie Maggie: offers
